

The birthplace of karaoke "Japan"!

In Shinjuku in 1989, it started with my parents a karaoke room first store in Japan, Kimie Yamamoto. It is currently engaged in a small diner in Kabukicho. Then at just 40 years less than, karaoke becomes entertainment indispensable for Japan, it is now, very popular abroad. The karaoke, sing in the karaoke room (private room) in the friends and colleagues to each other, or, there are two patterns to sing in front of everyone in the karaoke snack. Recently, "one person karaoke" also appeared!

On the stage, sing comfortably in front of everyone!

Wearing a happi coat and yukata, enjoy popular karaoke in Japan! Also in addition to the items for rise in the karaoke a lot in the shop!

Orangehall

Orange Hall is a shop that can popular karaoke party at Chitose. Since the shop there is also a stage, you can sing happily in the mood became a singer. Karaoke equipment of Orange Hall is a very latest. Now, we have the same equipment as the popular "Karaoke scoring program" on TV in Japan. By all means, you also, please try to karaoke scoring!

Orange Hall is only every Friday and Saturday, will be held the event of foreign tourists! Such as Japan's happi coat and yukata, it offers a variety of Japanese items. By all means, the memories of Japan's journey, please enjoy the karaoke.
※ Reservations are required from Monday to Thursday.

Even karaoke Japanese specific ...

Karaoke as a typical pastime of Japan, has been popular in public for a long time. Japanese karaoke, Rashiku Japanese to protect the order in the modest, one or two people is determined with a microphone have decided the order in which the singing somehow.

When someone is singing, everyone implicitly listen to the song, Nakaniwa Japanese flow is that appear ... until people clapping.
